Enrichment Sessions

- ✓ Foundations for Puppies.....\$100
Tailored for puppies aged 8 months and younger, this program consists of (4) sessions, each lasting 20-25 minutes. The objective is to familiarize your puppy with grooming surroundings, procedures, and tools. The fourth visit is reserved building up to a Full Groom or Tubby Time, with payment due during that session.
Session Details:
 - Familiarization with the grooming table
 - Gentle handling of paws
 - Introducing various brushes
 - Fostering a bond with the groomer through treats and affection!
- ✓ Confidence Building.....\$280
Customized to assist pups exhibiting fear, aggression, or resistance during grooming comprising of eight (8) 25-minute enrichment sessions during routine grooming. These sessions aim to transform the grooming process into a positive experience.
Session Details:
 - T-Touch massage
 - Treat-based training
 - Loose leash walking
 - Fostering relationship with groomer
 - Gradually reintroducing grooming processes
