

# The Take Five Way at Sugar Face Oasis

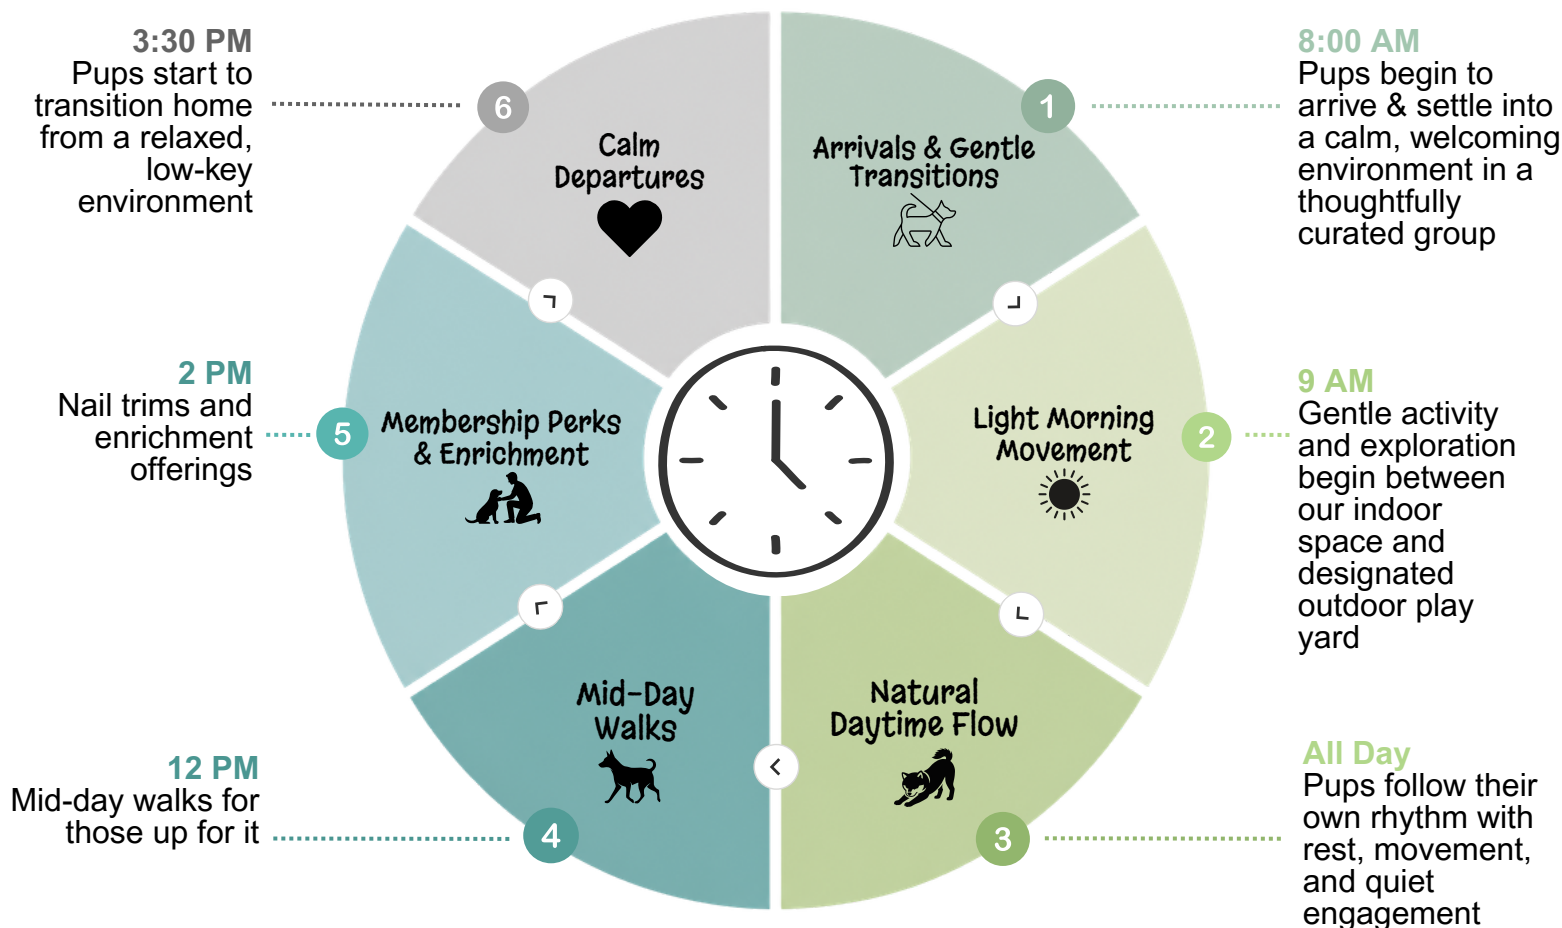

## Calm. Supportive. Thoughtfully Tailored.

At Sugar Face Oasis, each day is thoughtfully designed to support the unique needs of senior and mellow pups. With a calm environment, gentle guidance, and personalized attention, we create a space where pups can move at their own pace, be comfortable, and truly enjoy their day.

## A Calm, Slow-Paced Day

These are key moments in your pup's day, while attentive care, comfort, and gentle engagement are provided continuously throughout.

## What's Happening Throughout the Day

**Continuous supervision** with a focus on comfort, safety, and gentle guidance

**One, thoughtfully-matched group** based on personality and energy level

**A flexible routine** that allows for natural rest, movement, and decompression

**Ongoing wellness checks** to monitor mobility, comfort, and behavior

**Calm, intentional transitions** to avoid overstimulation

**Daily support** for confidence, mobility, and overall well-being

## More Ways We Support Your Pup's Day

Thoughtfully designed experiences to support comfort, confidence, and overall well-being.

### Our Approach to Calm Socialization

At Sugar Face Oasis, pups are placed in one small, thoughtfully matched group where interactions are gentle, respectful, and low-pressure. We prioritize comfort over activity level, allowing each pup to engage at their own pace, or simply relax nearby.

Move at their own  
pace

Rest whenever  
needed

Engage in calm,  
positive interactions

### Wellness & Comfort We Support Daily

Sugar Face is more than a calm space, our team supports each pup's comfort, confidence, and overall well-being throughout their day.

Supporting mobility  
and ease of  
movement

Encouraging calm,  
confident behavior

Providing space for  
rest and  
decompression

Maintaining routine  
and familiarity

### Enhancing Your Pup's Day
